

1. Unscrew and remove the nut by slipping it down over the Pull Chain.
2. Push the switch into the hub hole to create a flat surface for the Magnet Shaft.
3. Thread the Pull Chain through the Magnetic Shaft
4. Raise the Magnetic Shaft until it attaches to the center of the hub.
5. Use only A15 LED Bulbs.
6. Attach the Shade, Diffuser and Finial as shown.

MAGNA-SHADE
